JMIR mHealth and uHealth (JMU, ISSN 2291-5222) is a leading peer-reviewed journal and one of the flagship journals of JMIR Publications. JMU is indexed in all major literature indices including MEDLINE, PubMed, PubMed Central, Scopus, PsycInfo, SCIE, JCR, EBSCO/EBSCO Essentials, DOAJ, GoOA, and others. In 2024, JMU received a 5.4 impact factor in Clarivate's Journal Citation Reports™ and Scopus CiteScore of 12.6.

The journal focuses on health and biomedical applications in mobile and tablet computing, pervasive and ubiquitous computing, wearable computing, and domotics. JMU offers fast publication, a global research focus, and a broad scope that includes innovative emerging technologies, technology advancements, application and use in diverse community and health care settings, and clinical trials.
